Item 4 Advisory Business

Firm Description

Thoughtful Money LLC ("Thoughtful Money" or the "Firm") was founded in 2023. Thoughtful Money is a privately owned limited liability company headquartered in Sebastopol, CA. We are organized as a limited liability company ("LLC") under the laws of the State of California. We began conducting business in 2023 following the approval of our investment advisor registration by the State of California. The Firm is owned and controlled by Adam Taggart.

Types of Advisory Services

Websites and other resources refer potential clients to other unaffiliated Registered Investment Advisory ("RIA") firms through our firm. Accordingly, Thoughtful Money is a Solicitor for other unaffiliated RIAs, including New Harbor Financial Group (CRD# 155528) and RIA Advisers (CRD# 150661), SEC registered advisers, as well as ROCKLINC Investment Partners, a Canadian adviser regulated by the Ontario Securities Commission. We are qualified to be and act as an investment adviser under the laws of the states in which we transact business and are familiar with the rules and the numerous requirements pertaining to the solicitation of prospective investment advisor clients. These unaffiliated RIA firms are responsible for individual client suitability and portfolio management on an initial and ongoing basis. We will not provide any advisory services to the client. In no event shall Thoughtful Money participate in the management of client accounts or render investment advice to clients on behalf of the third-party investment adviser.

When soliciting clients for unaffiliated RIA's each client shall be provided with the most recent relevant brochures or equivalent disclosure documents of the unaffiliated RIA's that details their applicable programs and the compensation to be paid by you and what portion of the same is received by us for our solicitation services and the association between our Firm and the unaffiliated RIA's. Clients who engage the unaffiliated RIA will sign an investment advisory agreement with the unaffiliated RIA.

Types of Agreements

Thoughtful Money investment advice is limited to recommending other investment advisers. Investment advisory services are provided by the unaffiliated RIA. Accordingly, Thoughtful Money does not have an agreement directly with the client.

Thoughtful Money will, however, provide a copy of its Solicitor Disclosure Statement to the client. The Solicitor Disclosure Statement sets forth, among other things, the amount of compensation to be received by Thoughtful Money for referring the client to the unaffiliated RIA.

Wrap Fee Programs

We do not participate in any wrap fee program.

Assets Under Management

Thoughtful Money operates as a Solicitor and does not have investment advisory clients; therefore, there are no assets under management at our Firm.

Item 5 Fees and Compensation

Solicitor Fee

The fees payable to us for these referral services depend upon the fee arrangement between our Firm and the unaffiliated RIA to whom you are referred. We will receive a portion of the unaffiliated RIA's ongoing account management fees as compensation for our solicitation or consulting. Our fee can be up to 35% of the fees charged to the referred client by the unaffiliated RIA. The fee shall be

paid solely from the unaffiliated RIA and will be paid to us within 30 days of the unaffiliated RIA's receipt of the advisory fee from the client. The fee paid to us will not result in any additional charge to the client of the unaffiliated RIA.

Referred clients have no obligation to pay any compensation directly to Thoughtful Money. Thoughtful Money seeks payment of its compensation solely from the unaffiliated RIA to whom it recommends clients. Fees are only payable to Thoughtful Money upon receipt of funds by the RIA from the prospective client(s).

The duration of payments from the RIA to Thoughtful Money shall continue for as long as a given client remains a paying investment management client of the RIA.

State of California Required Disclosures

While our firm endeavors at all times to offer clients specialized services at reasonable costs, the fees charged by other investments advisers for comparable services may be lower than the fees charged by our firm.

Item 6 Performance-Based Fees and Side-By-Side Management

We act solely as a solicitor for unaffiliated RIAs. We do not accept performance-based fees or participate in side-by-side management.

Item 7 Types of Clients

Our customer base for referrals to other unaffiliated RIAs consists of individuals including high net worth individuals, pension and profit-sharing plans, trusts, estates, charitable organizations, corporations and other business entities.

The third party money managers to whom you are referred may impose minimum account sizes for participation in their advisory services. Please refer to the third party money manager's Form ADV Part 2A for information on applicable minimum account sizes, if any.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

Methods of Analysis and Investment Strategies

We refer clients to unaffiliated RIA's who offer a selection of different investment approaches. This includes trend following, countertrend, technical signal based, fundamental and tactical asset allocation strategies. Information of each unaffiliated RIA's method of analysis and investment strategies are described in each of their ADV Part 2A brochures or other disclosure documents that will be provided upon the referral.

Risk of Loss

All investment programs have certain risks that are borne by the investor. The advice offered to you is determined by the areas of expertise of the unaffiliated RIA agent providing the service and your stated objective. We advise you to notify your investment manager promptly if there are ever any changes in your financial situation or investment objective or if you wish to impose any reasonable restrictions upon their management services.

We do not represent, warrant, or imply that the services or methods of analysis employed by our unaffiliated RIA's can or will predict future results, successfully identify market tops or bottoms, or insulate you from losses due to market corrections or declines. All securities trading, whether in

stocks, options, or other investment vehicles, is speculative in nature and involves substantial risk of loss that clients should be prepared to bear. Past performance is not necessarily indicative of future results. You should make every effort to understand the risks involved.

Item 9 Disciplinary Information

Thoughtful Money is required to disclose whether there are any legal events, criminal or civil action, an administrative proceeding before the SEC or any other regulatory agency, or a self-regulatory organization proceeding or disciplinary events that are material to referrals or a prospective referral evaluation of our advisory business or the integrity of our management. The Firm and its employees have no issues to disclose.

Item 10 Other Financial Industry Activities and Affiliations

Financial Industry Activities

Thoughtful Money does not engage in any additional financial industry activities beyond those already stated in this ADV. We have not provided information on other financial industry activities and affiliations because we do not have any relationship or arrangement that is material to our advisory business or to our clients with any of the types of entities listed below.

1. broker-dealer, municipal securities dealer, or government securities dealer or broker;
2. investment company or other pooled investment vehicle (including a mutual fund, closed-end investment company, unit investment trust, private investment company or "hedge fund," and offshore fund);
3. other investment adviser or financial planner;
4. futures commission merchant, commodity pool operator, or commodity trading adviser;
5. banking or thrift institution;
6. accountant or accounting firm;
7. lawyer or law firm;
8. insurance company or agency;
9. pension consultant;
10. real estate broker or dealer; and/or
11. sponsor or syndicator of limited partnerships.

Third Party Relationships

We currently have a third party advisory relationship with New Harbor Financial Group, LLC in Leominster, MA, RIA Advisors in Houston, TX, and ROCKLINC Investment Partners in Burlington, Ontario Canada. We may develop other solicitor arrangements with other unaffiliated RIAs at our discretion. Prior to entering into an agreement with, or introducing you to unaffiliated RIAs, we conduct an assessment review to ensure they are properly registered/licensed and in good standing with the applicable regulatory authority. Thoughtful Money does not charge clients any fees for this service.

Upon being referred to a third-party adviser, you will receive a Solicitor's Disclosure Statement. The Solicitor's Disclosure Statement provides, among other things, disclosure regarding the affiliation, if any, between our Firm and the third-party adviser: the terms of the solicitation agreement between our Firm and the third-party adviser, including the amount of compensation to be paid to our Firm for the solicitation; and the additional cost to you if any, as a result of the solicitation agreement.

Item 11 Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

Code of Ethics

We strive to comply with applicable laws and regulations governing our practices. Therefore, our Code of Ethics includes guidelines for professional standards of conduct for persons associated with our firm. Our goal is to protect your interests at all times and to demonstrate our commitment to our fiduciary duties of honesty, good faith, and fair dealing with you. All persons associated with our firm are expected to adhere strictly to these guidelines. Persons associated with our firm are also required to report any violations of our Code of Ethics. Additionally, we maintain and enforce written policies reasonably designed to prevent the misuse or dissemination of material, nonpublic information about you or your account holdings by persons associated with our firm.

Clients or prospective clients may obtain a copy of our Code of Ethics by contacting us at the telephone number on the cover page of this brochure.

Participation or Interest in Client Transactions

Thoughtful Money and its employees do not and will not buy or sell securities held by clients.

Item 12 Brokerage Practices

Thoughtful Money does not recommend a particular broker-dealer to any client or prospect. Therefore, we do not have any soft dollar arrangements or receive client referrals from broker-dealers in exchange for cash or other compensation, such as brokerage services or research.

Item 13 Review of Accounts

We do not review client accounts, nor do we provide reports directly to clients. Clients receive performance reports from the third-party adviser and typical statements on their accounts from the unaffiliated RIA.

Item 14 Client Referrals and Other Compensation

Client Referrals

Thoughtful Money does not pay third parties for client referrals.

Other Compensation

Thoughtful Money receives no compensation other than what is already disclosed in this Brochure.

Item 15 Custody

Thoughtful Money does not maintain custody of any funds or securities for any clients we refer to other unaffiliated RIA's. All assets are held at the designated qualified custodians with each unaffiliated RIA, which means the custodians provide account statements directly to clients at their address of record at least quarterly.

Item 16 Investment Discretion

We do not manage client accounts, nor do we provide discretionary management services. We will refer you to an unaffiliated RIA whose investment style is believed to be consistent with your financial needs, investment goals, tolerance for risk and stated investment objectives to manage your portfolio. The unaffiliated RIA is granted authority by you to manage and invest your assets.

Item 17 Voting Client Securities

Without exception, we will not vote proxies on behalf of your advisory accounts. Please reference the Part 2A Disclosure Brochure, Item 17 "Voting Client Securities" of the referred unaffiliated RIA for details on whether they vote proxies on your behalf along with their proxy voting policies and procedures or if you will receive proxies directly from your advisory firm, the custodian, or the transfer agent and whether you can contact your adviser about a particular solicitation.

Item 18 Financial Information

Thoughtful Money does not have any financial impairment that will preclude the firm from meeting contractual commitments.

A balance sheet is not required to be provided because Thoughtful Money does not serve as a custodian for client funds or securities and does not charge more than \$500 in fees per client, six months or more in advance.

We have not filed a bankruptcy petition at any time in the past ten years.
